We are a national charity looking for a fundraiser with a proven track record to join our small, friendly team. We love building relationships with people all over the UK, and we need your help with our work.

You will be responsible for

- Leading our engagement with corporate sponsors and charitable trusts
- Writing compelling, persuasive proposals for appropriate funders, finding new opportunities
- Helping us to measure our impact nationally and locally
- Reporting your achievements and learning with us when things take an unexpected turn
- Ensuring that all fundraising material is legally compliant and represents best practice, as well as reflecting our Christian values and ethos.

You will

- Have experience of producing financially successful bids for grants and/or sponsorship
- Have excellent administrative and IT skills
- Be able to work independently and as part of a team
- Be in sympathy with Christian ethos and the aims of the Arthur Rank Centre
- Love engaging with people and sharing stories
