

Do you enjoy creating beautiful content that inspires?

Do you have a passion for an online presence that is continually growing and setting its sights high? We need you!

ICS is looking for a part-time Social Media Administrator to work as part of the Coventry team (20 hrs/week, six month contract, initially).

We seek a creative mind with a passion for social media and online marketing. You will manage the relevant social media profiles, focusing on developing relationships with our supporters and mission partners, creating posts that increase engagement and promote our projects and events. You will be expected to advise on social media strategy. You will need the ability to work on your own but also as part of a team, be pro-active and share ideas that will help promote our projects.
